

Apergy to Participate in the Bank of America Global Energy Conference

November 11, 2019

THE WOODLANDS, Texas, Nov. 11, 2019 (GLOBE NEWSWIRE) -- Apergy Corporation ("Apergy") (NYSE: APY), announced today that Paul Mahoney, President Production & Automation Technologies, and Ali Raza, Chief Digital Officer, will attend and meet with investors at the 2019 Bank of America Global Energy Conference in Miami, Florida on Wednesday, November 13, 2019. The presentation to be used in the investor meetings will be available on Wednesday, November 13, 2019, prior to the commencement of the meetings under the "Investors – Media Files" tab of our website at <http://www.apergy.com>.

About Apergy

Apergy is a leading provider of highly engineered equipment and technologies that help companies drill for and produce oil and gas safely and efficiently around the world. Apergy's products provide efficient functioning throughout the lifecycle of a well - from drilling to completion to production. Apergy's Production & Automation Technologies offerings consist of artificial lift equipment and solutions, including rod pumping systems, electric submersible pump systems, progressive cavity pumps and drive systems and plunger lifts, as well as a full automation and digital offering consisting of equipment and software for Industrial Internet of Things ("IIoT") solutions for downhole monitoring, wellsite productivity enhancement, and asset integrity management. Apergy's Drilling Technologies offering provides market leading polycrystalline diamond cutters and bearings that result in cost effective and efficient drilling.
